DETAILED ACTION

Claim Rejections - 35 USC § 102

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1-17 are rejected under 35 U.S.C. 102(e) as being anticipated by Korenman et al. '322. Korenman et al. disclose an apparatus for facilitating management by an individual of a physiological and/or psychological state of the individual comprising a display for a set of images allowing an individual to show the individual chosen by the individual to one's self (col. 4 line 62) and a device for allowing the individual to choose images from the set of images (col. 4 lines 59-60).

Response to Arguments

Applicant's arguments filed 5/5/03 have been fully considered but they are not persuasive. Applicant argues that Korenman does not disclose that the set of images chosen by an individual to show to oneself are based on a personalized image profile. The images of Korenman are based on the physiological or psychological condition being treated or the cause of such condition (col. 3 lines 16-18), which is considered by the examiner to be a personalized image profile.
